Heathland Picnic Unit

Heathland Picnic Unit with black boards

An integral picnic unit with recycled plastic boards with an additional central frame for extra rigidity. The polyboards on this picnic unit are made from an ecologically sound recycled material described on page 47, which is durable, water resistant, rot free, and requires no maintenance. In certain circumstances, particularly if an accelerant such as petrol is used, this material may catch fire and burn.

- Polyboards in black or brown
- Frames finished in either Acrylic Coating or Street-Tough in dark green 14C40 as standard, eleven other colour options at no extra cost, (see page 53)
- Polyboards 50 x 95mm
- Frames 50 x 50 x 3mm hollow, with 50 x 75 x 3mm hollow table legs
- Length 1800mm, weight approx. 123kg.
- Pedestal base (for bolting down) as standard
- Supplied as separate boards and frames, requiring assembly
- See our website for fixing options
