Warwick Seat

1800 Warwick Seat in black

The Warwick All Steel Seat applies the elegant design principles of our all timber traditional range to an immensely strong all steel construction. This results in a seat which looks perfectly at home in a variety of formal and traditional settings, with an unparalleled level of durability.

When specified in our Street-Tough finish, this seat has the potential to outlast any other traditionally styled seat on the market, even in the harshest of environments.

The Warwick Seat can also be specified with a range of plaque options for commemorative purposes and bespoke laser cut panels can be designed for the back upright as illustrated below.

- Street-Tough finish as standard, Acrylic Coating available
- Twelve standard colour options at no extra cost. Also available in any other B.S. or RAL colour for a surcharge
- Seat base slats 30 x 50mm,
- Legs 60 x 60mm, rails 40 x 80mm
- Length 1800mm, weight approx. 88kg
- Length 2400mm seat approx. 100kg
- Supplied as a single welded assembly
- See our website for fixing options
